Toro Limited Warranty for Irrigation Division Products (revised 11/19)

The Toro Company and its affiliate, Toro Warranty Company, pursuant to an agreement between them, jointly warrants to the owner each new piece of irrigation product (featured in the current catalog at date of installation) against defects in material and workmanship for a period described herein, provided they are used for irrigation purposes under manufacturer's recommended specifications.

During the warranty period, we will repair or replace, at our option, any part found to be defective. Your remedy is limited solely to the replacement or repair of defective parts. This warranty does not apply (i) to Acts of God (e.g., lightning, flooding, etc.) unless specifically listed under the Extended Lightning Protection Warranty provided herein; or (ii) to products not manufactured by Toro when used in conjunction with Toro products; or (iii) where equipment is used or installation is performed in any manner contrary to Toro's specifications and instructions, or where equipment is altered or modified.

Return the defective part to your irrigation contractor or installer, or your local distributor who may be listed in your telephone/web directory under "Irrigation Supplies" or "Sprinkler Systems", or contact The Toro Warranty Company, 5825 Jasmine Street, Riverside, California, 92504, phone (877) 345-8676, for the location of your nearest Toro distributor, or outside the U.S., call (951) 688-9221.

Neither Toro nor Toro Warranty Company is liable for indirect, incidental or consequential damages in connection with the use of equipment, including but not limited to vegetation loss, the cost of substitute equipment or services required during periods of malfunction or resulting non-use, property damage or personal injury resulting from installer's actions, whether negligent or otherwise. Some states do not allow the exclusion of incidental or consequential damages, so this exclusion may not apply to you.

All implied warranties, including those of merchantability and fitness for use, are limited to the duration of this express warranty.

Some states do not allow limitations on how long an implied warranty lasts, so this limitation may not apply to you.

This warranty gives you specific legal rights and you may have other rights, which vary from state to state.

Standard Warranty

Toro Irrigation Division products are covered by this warranty for a period of two years from the date of installation, except as otherwise noted.

Extended Three-Year Warranty

The following products are covered by this warranty for three years from date of installation: DDC™WP Series Controllers

Extended Five-Year Warranty

The following products are covered by this warranty for five years from date of installation: **Fixed Sprays:** 570Z, 570Z LP, 570Z PR and 570Z PRX Series; **Rotors:** T5, T5 RapidSet®, T7, 640, TS90, TS120, TS170, and P2 Series; **Valves:** EZ-Flo Plus, TPV, P-220 and 220 Brass Series; **Controllers:** Evolution®, TMC-424E, Custom Command and TDC Series, AC and DC Decoders; **Sensors & Accessories:** TWRS Wireless RainSensor™ Series (receiver and transmitter), Smart Connect®, EVO-WS, EVO-AR, EVO-HH, and SMRT-T

Landscape Drip Warranty

Warranty period from date of delivery:

DL2000™ Series Dripline – Emitters (2 years), Hose (5 years, pro-rated), ROOTGUARD (7 years)

Drip In® Series Dripline – Emitters (2 years), Hose (5 years, pro-rated)

Blue Stripe® Hose – 7 years, pro-rated

Fittings (all) – 1 year

Emission Devices – N.G.E. Emitters (2 years), All other emitters (1 year)

Filters and related Components – 1 year

Other Accessories – 1 year

Grounding

The Toro Warranty for Irrigation Controllers is void if controller is not properly grounded per instruction manual. A good ground source is a mandatory component of overall surge protection for Toro Irrigation Control Systems. Grounding electrode(s) should be placed at each automatic controller or controller group locations. The resistance to the grounding electrode should not exceed 10 Ohms when measured with a Megger Earth Resistance Testing instrument or equivalent. It is the responsibility of the installer to connect all electronic irrigation equipment for which he is responsible to earth ground in accordance with Article 250 of the National Electrical Code (NEC). Even with optimum grounding, neither Toro nor Toro Warranty Company are liable for product failures due to acts of God (i.e., lightning, flooding, etc.), and these failures are not covered by warranty.

Toro Irrigation Division Policies and Procedures

Orders

Orders must be placed in bag/carton quantities as indicated. Orders that do not meet these criteria will be rounded up to full carton quantities prior to shipment and noted on your order confirmation.

Minimum Order

\$100.00 Net. This minimum applies to whole goods orders only and not to orders for parts or literature (\$25.00 minimum for parts only).

Late Charge

All invoices not paid by the net due date will be subject to a service charge of the lesser of 1.5% per month (18% annual percentage rate), or the highest rate then permitted by applicable law.

Credit Terms

Dating terms, as well as all open account credit terms, are made available to those customers which the company's credit department determines to be credit-worthy. Customers may participate in buying programs or enjoy open account dating terms only as long as such credit-worthiness, as determined by the company, is maintained.

If such credit-worthiness is not maintained, dating terms on future purchases may be revoked, or all outstanding customer obligations under open account shall become immediately due. Either action may be taken at the company's option and upon written notice to the customer. If an unresolved credit issue extends beyond 30 days, open orders may be subject to shipment hold or cancellation.

Freight Terms

US Standard Orders:

Surface freight charges for all orders of \$1,200 USD net or higher are pre-paid by The Toro Company. Distributors may combine Toro and Irritrol brand products to meet the minimum pre-paid threshold. A 9% shipping and handling charge will be added to shipments of less than \$1,200 USD net. **Please note:** Authorized Unique Lighting Systems distributors may combine deliveries of irrigation and/or lighting products to meet per-paid freight thresholds.

Canadian Standard Orders:

Orders for the Canadian marketplace will be pre-assigned a standard weekly ship day, with an ordering cut-off time of 12:00 noon Central Standard Time two days prior. Orders received after this time can either be held until the following week or requested "RUSH" (see next section).

There is a \$3,500 USD net minimum per shipment value in order to receive free freight. A member of the Customer Service Team will notify you on the "cut-off day" if your total outstanding shipment value does not qualify for the free freight minimum. If your order is under the \$3,500 minimum, you will be presented with three options:

1. Ship "as-is", though you will be responsible for freight cost;
2. increase your order size to \$3,500 USD to have it shipped prepaid;
3. postpone shipment until the following week to provide ample time to increase the total order value to \$3,500 USD.

Customer Service must receive an immediate response as to the above-noted options. If no response is received, we will postpone shipment until the following week as the default.

Freight charges for emergency order shipments are to be paid by the Distributor. This includes Next-Day delivery, Second-Day delivery, and any other premium service(s) or other special delivery needs.

Special Order items

Special Order items may not be returned for any reason.

Claims for Shortage

All claims for shortage should be made in writing, by fax or phone to our Order Services Department within 30 days of receipt of goods. **If not reported within 30 days, your claim may be refused.**

Product Return Policy

Products returned (other than for defects) must be pre-approved by Toro Management. For details, contact your local Toro Regional Sales Manager. A 15% minimum stocking charge will be applied.

Defective Goods Return Policy

To return defective products, please obtain an RGA by faxing a request to (800) 451-1390, ATTN: RGA. Upon receipt of RGA confirmation, return the product and a copy of the RGA confirmation to the address indicated.

Rain Master Policies and Procedures

MINIMUM ORDER:

\$200 net for whole goods or a combination of whole goods and accessories or parts. \$50 net for accessories or parts.

PRICE & SHIPPING TERMS:

All prices are FOB factory and are subject to change without notice. Suggested List Prices do not include any applicable sales taxes.

CANCELLATION OF ORDERS:

All orders may be cancelled ONLY if notification is received three days prior to shipment date.

CANCELLATION OF CUSTOM ORDERS:

All orders may be cancelled ONLY if notification is received three days prior to shipment date. Subject to a 20% cancellation fee.

FREIGHT ALLOWANCE:

Truck freight is prepaid on each order of \$5000 net or greater for shipment at one time to one destination in the continental U.S. "SPED, PSB AND UFEN" SERIES ENCLOSURES DO NOT QUALIFY FOR PREPAID FREIGHT.

TERMS:

All invoices not paid by net due date will be subject to a service charge of no less than 1.5% per month. Late charge will automatically be assessed on all past due accounts. (18% annual percentage rate).

TITLE AND ASSUMED RISK:

The purchaser assumes possession at factory, after which, injury or destruction of the product as described in the invoice is borne by the purchaser and damage, loss or destruction shall not release the purchaser from payment responsibilities.

CREDIT:

Payment is required in advance on initial orders until credit has been established with Rain Master.

RETURN OF MERCHANDISE AND RESTOCKING CHARGES:

Merchandise may not be returned without a Return Goods Authorization (RGA) from the factory. This number must be placed on all documentation and written on the outside of the carton. All merchandise must be shipped prepaid to Rain Master's factory and will be subject to factory inspection and a restocking charge of 25%. All returns of "new" merchandise (non warranty) must be returned in their original carton, in a like new condition, complete with all manuals and documentation. Any damage caused by shipping or other circumstances, missing manuals and or documentation, or the replacement of the original carton (due to damage) will be the financial responsibility of the customer and billed in addition to the 25% restocking fee.

RETURN OF CUSTOM PRODUCTS:

ONLY with written approval and a Return Goods Authorization (RGA) from Rain Master. Subject to a 50% restocking charge.

- Rain Master reserves the right to change prices without prior notice. Please confirm pricing with the factory before placement of any order.
- We reserve the right to improve our products and make changes in the specifications and designs without notice and without incurring obligation.

Irritrol Trade Warranty

Excluding software and products formerly produced under the Rain Master® brand name, Irritrol® offers the following coverage to its trade customers:

For the first year from the date of original sale to the trade customer, product may be exchanged "hasslefree" over-the-counter, should it have original manufacturing defects. For years two through five from the date of original sale to the trade customer, all parts which are found to have original manufacturing defects, shall be repaired or replaced (Rain Master's choice), provided the product is returned to the original place of purchase or sent to the Rain Master Controller Repair facility at 5825 Jasmine St, Riverside CA 92504, postage paid.

All Rain Master Controllers and iCentral iCards, excluding iCentral upgrade kits, have a 5-year warranty; all other Rain Master products (accessories) have a 2-year warranty.

Rain Master Laguna Software packages have a 90-day warranty. All computer hardware purchased from Rain Master in conjunction with its PC related software is NOT covered by any Rain Master warranty. Computer hardware and the installed operating system(s) is specifically covered by the hardware manufacturer's warranty as provided by the hardware manufacturer.

This warranty does not apply to loss or damage to the product due to improper installation, abuse, alteration, mishandling, accident, or if the product has been serviced by other than Rain Master or its authorized service centers. This warranty is not a consumer warranty and does not extend to anyone other than those trade customers who purchase Rain Master products.

NOTE: Irritrol is not liable for (i) failure of products not manufactured by Irritrol even though such products may be sold or used in conjunction with Irritrol products; (ii) indirect, incidental or consequential damages, including but not limited to vegetation loss during periods of malfunction or resulting non-use; (iii) any loss or damage (e.g., property damage) resulting from an installer's negligence; or (iv) implied warranties of merchantability or fitness for a particular purpose. Some states do not allow the exclusion of incidental or consequential damages, so the above exclusion may not apply to you.

In no event shall Irritrol be liable or in any way responsible for any damages or defects in the product which were caused by repairs or attempted repairs performed by anyone other than an authorized Irritrol /Service dealer or center.

This warranty supersedes all previous warranties and shall be the sole and exclusive warranty granted by Rain Master and shall be the sole and exclusive remedy available to the trade customer. Correction of defects, in the manner and period of time described herein, shall constitute complete fulfillment of all liabilities and responsibilities of Rain Master to the trade customer with respect to the product, and shall constitute full satisfaction of all claims, whether based on contract, negligence, strict liability or otherwise.

NOTE: The user is cautioned that changes and modifications made to the equipment without the express written consent of the manufacturer will void this warranty.

Toro® Central Control Distributor Policies and Procedures

PLACING ORDERS: All orders for custom products must be placed at eicon.orders@toro.com. No phone orders will be accepted. This address is for orders only, and should not be used for regular email activity. All purchase orders must include "ship-to" address and job name.

CANCELLATION OF ORDERS: All orders may be cancelled ONLY if notification is received three days prior to shipment date.

TITLE AND ASSUMED RISK: The purchaser assumes possession at factory, after which, injury or destruction of the product as described in the invoice is borne by the purchaser and damage, loss or destruction shall not release the purchaser from payment responsibilities.

BUILD TO ORDER: We do not manufacture stock products and everything is built to order. Average shipping date is three weeks from receipt of order, or up to six weeks for approved "custom" products not listed in the price list after approval. Any modification to a purchase order after assembly process has begun, will result in a \$200.00 change fee plus charges for any additional parts.

RETURN OF MERCHANDISE AND RESTOCKING CHARGES: Merchandise may not be returned without a Return Goods Authorization (RGA) from the factory. This number must be placed on all documentation and written on the outside of the carton. All merchandise must be shipped prepaid to Toro's factory and will be subject to factory inspection and a restocking charge of 25%. All returns of "new" merchandise (non-warranty) must be returned in their original carton, in a like new condition, complete with all manuals and documentation. Any damage caused by shipping or other circumstances, missing manuals and/or documentation, or the replacement of the original carton (due to damage) will be the financial responsibility of the customer and billed in addition to the 25% restocking fee.

FREIGHT: Freight is prepaid to ship-to locations within the contiguous US and Canada for orders totaling at least \$5,000.00 (USD) D-NET.

PRICING EFFECTIVITY: All prices are FOB Toro Factory and subject to change without notice. Suggested list prices do not include any applicable sales taxes.
